As is the case with the majority of motor fuel prices in the territory, the prices of residential heating fuel have increased in all Yukon communities comparing October 19 '11 to October 20 '10. The largest percentage increase in the price of furnace oil was in Dawson City, rising 31.8% in the last year. Arctic stove oil prices saw the largest increase in Teslin, increasing 29.7% compared to October 20 '10.

Whitehorse has been the only community with propane prices available since April '10 due to a major supplier making changes to their systems.

Price discounts may apply to seniors, members of unions or service groups, or for quick payment. Ask your fuel supplier for details.
